Student Financial Aid Information

Cost of Attendance

The Cost of Attendance for financial aid purposes, is the estimated (budgeted) cost of attending school, including: tuition, fees, books, supplies, room & board, transportation, personal expenses, and any additional costs of the program the student is enrolled in or wishes to attend. This estimated budget is used to determine the maximum amount of financial aid that students can receive. This is commonly known as the Cost of Attendance (COA), and the amounts will vary based on the where the student is living while in school (at home with parents, on campus or off campus) and the amount of tuition and fees associated with the program of interest. This information is located on the Abcott Institute Financial Aid web page at <https://abcott.edu/disclosures/> and also in the financial aid office at the school. Tuition and fees (which include books and supplies) for each program also are described in the school catalog. Paper copies of the tuition and fee rates are available upon request from the financial aid office.

Types of Federal Financial Aid Programs

Students may apply for various need and non-need based programs to assist in paying for the expenses related to attending school. It generally consists of a combination of grants and loans which supplement the student's (and possibly parent's) contribution toward the Cost of Attendance. A listing of the available financial aid programs is located in the school catalog and on the Abcott Institute Financial Aid web page at <http://www.abcott.edu/disclosures> Paper copies of the listing of financial aid programs are available upon request from the financial aid office.

Applying for Federal Student Financial Aid and Determining Eligibility

To apply for Federal Student Aid, students and parents (if applicable) are required to complete the Free Application for Federal Student Aid (FAFSA) or provide a copy of the Student Aid Report (SAR) if the student previously completed a FAFSA for the specified award year. FAFSA on the Web is available online at <https://studentaid.gov> Students can also use the FAFSA on the Web worksheet to assist them in collecting information needed to complete the application. The Estimate Your Federal Student Aid is also available at <https://studentaid.gov/aid-estimator/> can be used to get an early start on the financial aid process by providing an early estimate for federal student aid, providing the user with an experience similar to FAFSA on the Web, allowing for transfer of information

to the FAFSA on the Web once a student is ready to apply for aid, and increasing knowledge of the financial aid process and providing information about other sources of aid. Students and parents may create an FSA Account ID and password at <https://studentaid.gov/>.

The financial aid office will utilize the results of the FAFSA to estimate and determine the student's financial aid eligibility. Information on how to apply for financial aid and how eligibility is determined is provided to students in the financial aid office at the school, in the school catalog, and is also located on the Abcott Institute Financial Aid webpage at [Consumer Information Disclosures - Abcott Institute](#). Paper copies are available upon request from the financial aid office.

Terms & Conditions under Which Students Receive Federal Student Aid Loans

Students who receive loans have terms and conditions associated with these loans. These terms and conditions explain the rules of the loan including interest rates, eligible amounts based on the student's grade level in school, and at what point the student has earned the right to keep the full amount of the loan based on enrollment, etc. The student receives information on the types of available loans, rights and responsibilities, the requirement for entrance and exit counseling and loan repayment options. This information also is available on the following sites:

Abcott Institute website at <http://www.abcott.edu/disclosures> The Direct Loan website at <https://studentaid.gov/understand-aid/types/loans> The Federal Student Aid site at <https://studentaid.gov/manage-loans/repayment/plans>

Methods of Distributing Aid and Student Notifications

Federal Aid is distributed to eligible students who complete the Free Application for Federal Student Aid (FAFSA) and meet all required eligibility criteria as further described within the application instructions. Students should go to <https://studentaid.gov> to complete the application or visit the financial aid office for any questions regarding the FAFSA.

Additional information and information on the institution's policy for handling title IV credit balances, student notifications and student (and parent for PLUS loans) authorizations, is available on the Abcott Institute Financial Aid web page at <https://abcott.edu/disclosures/>

Paper copies of this information are available upon request from the financial aid office.

Refund Calculation and Return of Federal Financial Aid Calculation

There are two calculations completed when a student leaves school prior to completing the program (withdraw).

Institutional Refund Policy - Students should refer to their Enrollment Agreement and school catalog for details on the institution's refund policy.

Return to Title IV Calculation - The refund calculation for Federal Student Financial Aid is a separate calculation. As a result of the federal refund calculation required by federal regulation, students may owe additional funds to the institution to cover tuition and charges previously paid by unearned federal financial aid prior to withdrawal. Students that plan to withdraw from school should contact the financial aid office to determine the amount of funds, if any, which must be returned to the Federal Student Aid programs on their behalf, and inquire if additional funds will be due to the institution.

The last date of actual attendance is used in calculating refund amounts. Refunds are allocated in the following order:

1. Federal Unsubsidized Stafford Loan
2. Federal Subsidized Stafford Loan
3. Federal Parent (PLUS) Loan
4. Federal Pell Grant
5. Federal Supplemental Opportunity Grant
6. Other Federal Aid
7. Other State Assistance
8. Private Aid
9. Institutional Aid
10. Student Payments

Students should refer to the school catalog for additional information on the Return of Title IV Funds Policy and Institutional Refund Policy.

These standards apply to a student's entire academic record at the school, whether or not financial aid was received for prior terms of enrollment. The SAP policy also explains how a student who has failed to maintain satisfactory academic progress may re-establish eligibility for Federal Student Aid. The SAP policy is located in the school catalog.
